

## **Sophomore Checklist for Career Planning and/or College**

- Maintain a good GPA! Remember grades are important for both college and future employment.
- Good study habits can make the difference. Talk to teachers if you are having problems in a class. See Mr. Bozarth if you need tutoring assistance or help with study skills.
- Plan to stay active in extra-curricular and community activities. These play an important part in scholarships, employment, and college opportunities.
- Continue to explore all available sources of information on career possibilities with Mr. Bozarth in the guidance department and via the internet.
- Keep a list of all high school and community activities. These will be a big help in applying for scholarships, colleges, employment, etc.
- Select courses for your junior year in February.
- Visit college campuses any time you get the opportunity. If you go on a vacation, take a look at the college in that area.
- Follow Mr. Bozarth's Guidance Counselor updates on Twitter and Facebook for information associated with TCHS. @TCHSWarriorNews on Twitter, TCHS Warrior News on Facebook.
